

Activating Association Codes on Springer Link

<http://link.springer.com>

The screenshot shows the Springer Link website interface. At the top left is the Springer Link logo. To its right are links for 'Sign up / Log in', 'English', and 'Academic edition'. Below the logo is a search bar with a magnifying glass icon and a settings gear icon. A navigation bar below the search bar contains 'Home' and 'Contact Us'. On the left side, there is a 'Browse by discipline' menu with a list of categories: Architecture & Design, Astronomy, Biomedical Sciences, Business & Management, Chemistry, Computer Science, Earth Sciences & Geography, Economics, Education & Language, Energy, Engineering, Environmental Sciences, Food Science & Nutrition, Law, Life Sciences, Materials, Mathematics, Medicine, Philosophy, Physics, Psychology, Public Health, Social Sciences, and Statistics. The main content area features a large heading: 'Providing researchers with access to millions of scientific documents from journals, books, series, protocols and reference works.' Below this heading are two featured items: 'EJNMMI European Journal of Nuclear Medicine & Molecular Imaging' and 'Live Reference - Constantly updated Springer.com/SpringerReference'. To the right of these items is a purple box with the text 'New books and journals are available every day.' Below this is a 'Featured Journals' section displaying four journal covers: 'Journal of Arid Land', 'FIRE TECHNOLOGY', 'ANNUAL RATIONAL MECHANICS ANALYSIS', and 'DISTRIBUTED PARALLEL DATABASES'. At the bottom of the screenshot is a 'Featured Books' section.

Introduction

Welcome. If you are reading this then you have likely received an association code from your society, organisation or institution and are wondering how to use it.

If you are new to Springer Link, then please start at the beginning with registering a new account. If you already have a Springer Link account that you are using, then please jump ahead to slide 9: for instructions to activate Your Association Code.

Contents:

- [Registering a New Account](#) Slide 3.
- [Resetting Your Password \(for a previously registered account\)](#) Slide 6.
- [Activating Your Association Code](#) Slide 9.
- [Accessing Journal Content](#) Slide 11.

If you need help at any time please contact us at onlineservice@springer.com

Registering a New Account

- Please go to <http://link.springer.com/>
- To register a new account on Springer Link please click on “Sign up / Log in”
- You will find this on the top-right-hand side of any Springer Link page.
- This is also where you go whenever you want to log in.

Create your account to access your content from anywhere

Creating an account is easy, and helps us give you a more personalised experience.

All fields are required

The screenshot shows a registration form with the following fields and validation status:

- First Name**: Input field containing "First Name" with a green checkmark to its right.
- Last Name**: Input field containing "Last Name" with a green checkmark to its right.
- Email Address**: Input field containing "name.name@testemail.com" with a green checkmark to its right. Below the field is the text: "Your email address will be kept *private*".
- Password**: Input field containing "*****" with a green progress bar and a green checkmark to its right. Below the field is the text: "Minimum 6 characters including at least 1 letter and 1 number".
- Password Confirmation**: Input field containing "*****" with a green checkmark to its right.

At the bottom of the form, there is a text prompt: "By creating an account you agree to accept our [terms of use](#)".

At the bottom of the form, there are two buttons: "Create account" (in a blue box) and "Cancel".

Registering a New Account

Please note:

- Your username for Springer Link will always be your email-address.
- Your password needs to meet the following requirements: Minimum 6 characters including at least 1 letter and 1 number.

When you have finished entering all your details please click on

Your account has now been successfully created. Please click “Continue.”

After registration is complete, you may proceed to activate your Association Code.

Resetting Your Password

If you have previously registered an account with Springer link and have forgotten, or do not know, your password this can easily be reset.

An email address can only be registered once; so if you discover when signing up that your email has already been registered, as in the example below, then you can also use the following instructions to recover your account and set a new password.

Email Address

onlineservice@springer.com

Your email address will be kept [private](#)

An account already exists for this email, please enter a different email address

Resetting Your Password

- If you have not done so already please click the “Sign up/Log in” link (found in the top-right-hand-side of any Springer Link page).
- Now click on “*Forgotten password*” in the blue log in box.

The screenshot shows the Springer Link website interface. At the top right, there is a navigation bar with the text "Sign up / Log in" and a blue arrow pointing to it. Below this is a search bar and a settings gear icon. The main content area is titled "Create your account to access your content from anywhere" and includes a registration form with fields for "First Name", "Last Name", "Email Address", and "Password". A blue box on the right side of the page contains a "Welcome back. Please log in." message, with fields for "Email" and "Password", a "Log in" button, and a "Forgotten password" link. A blue arrow points to the "Forgotten password" link.

[Title for presentation / Date to go here]

Resetting Your Password

- Please enter your email address, then click on Submit.
- You will receive an email from onlineservice@springer.com including a link.
- Please click on the included link; then you will be directed to a secure page where you can enter your new password.
- Enter a new password. (Make sure your password contains 6 characters, alpha-numeric and at least one numeric.)
- You can now log in using your email address and newly created password.

Reset my password

Please enter the email address you used when registering for the site and we will send you an email which contains instructions for resetting your password.

✓ **Email has been sent.**

When you receive your login information, follow the directions in the email to reset your password.

Activating Your Association Code

Once you have a Springer Link account you can activate your Association Code:

- Log in to your Springer Link account. (use the blue log in box).
- You will now see your name displayed on the top-right-hand side of the screen. Click the arrow next to your name.
- Click on “Account details/profile”.

The screenshot displays the Springer Link user interface. At the top left is the Springer Link logo. Below it is a search bar with a magnifying glass icon. To the right of the search bar is a gear icon for settings. Further right, the user's name 'First Name Last Name' is displayed with a dropdown arrow. A dropdown menu is open, showing options: 'Account details/profile', '» Institutional / Athens login', and '» Logout'. A blue arrow points to the 'Account details/profile' option. To the right of the name are two more dropdown menus: 'English' and 'Academic edition'. Below the navigation bar, there are links for 'Home' and 'Contact Us'. The main content area is titled 'Account Details' and contains a table with two rows: 'First Name' and 'Last Name', each with an 'Edit' link.

Field	Value	Action
First Name	First Name	Edit
Last Name	Last Name	Edit

Activating Your Association Code

Entering your Association Code:

- We recommend **copying and pasting** your code in order to avoid any typing errors.
- Now click “Associate”.
- You should see a message informing you or your new access details.
- You are now an associated member of your society, institution or conference.

Important: it is now necessary to log out and then log back in for access to be updated.

Accessing Journal Content

- Once you have logged out and back in, you will have access to your publication.
- To locate your journal please search for the journal title in the Springer Link search box.
- Your results may include other titles as well as articles from the journal you are looking for.
- Please locate your journal title in the search results.
- It may sometimes be necessary to scroll through the list to find your journal.

The screenshot shows the Springer Link search interface. The search box contains the text 'test'. Below the search box, there are navigation links for 'Home' and 'Contact Us'. The search results are displayed in a grid format. On the left side, there is a 'Refine Your Search' section with filters for 'Content Type', 'Discipline', and 'Subdiscipline'. The 'Content Type' filter shows counts for Article (1,854,337), Chapter (781,007), Reference Work Entry (22,158), Protocol (20,042), Book (595), Journal (5), and Book Series (1). The 'Discipline' filter shows counts for Medicine (795,500), Life Sciences (635,627), Biomedical Sciences (500,961), Chemistry (354,308), and Computer Science (320,381). The 'Subdiscipline' filter shows counts for Internal (290,907), Biochemistry & Biophysics (218,870), Plant Sciences (175,772), Ecology (147,872), and Oncology (139,033). The main search results area shows 2,678,185 results for 'test'. The first result is a journal titled 'TEST' with a cover image. Below it, there are several reference work entries, each with a 'Test' title and a brief description, followed by a 'Get Access' button.

Accessing Journal Content

You can identify the correct result by the following:

- The word “Journal” will appear above the title.
- Where available an image of the journal cover will be displayed.

Click on the journal name to be taken to the journal’s home page.

Accessing Journal Content

Now you are on the journal's homepage. Here the latest articles will always be displayed.

The screenshot shows the Springer Link interface for the journal TEST. At the top, there is a search bar and navigation options. Below this, a blue banner contains the text "Browse Volumes & Issues" with a magnifying glass icon. The main content area features the journal title "TEST", its ISSN numbers, and a description. A prominent blue box contains the text "22 Volumes 49 issues 601 Articles available from 1992 - 2013" and a "Browse Volumes & Issues" button. To the right of this box, there is a "Share" section with social media icons and "Other actions" like "Register for Journal Updates" and "About This Journal". A blue arrow points from the "Browse Volumes & Issues" button to the text on the right.

To see all the available articles (including all back issues) click on "All Volume & Issues".

Accessing Journal Content

Now you will see the whole content of the journal and you can make your own selection.

The screenshot shows the Springer journal page for 'TEST'. At the top, there is a blue navigation bar with a home icon and the text 'Up to Journal', and a search bar on the right that says 'Search within this journal'. Below the navigation bar, the journal title 'TEST' is displayed in a large font, followed by 'All Volumes & Issues' and 'Volume 1 / 1992 - Volume 22 / 2013'. A note indicates that prior to 1992, the journal was published as 'Trabajos de Estadística'. The main content area features a list of volumes and issues, with 'Volume 22 - 2 Issues (March 2013 - June 2013)' expanded to show 'Issue 2 - June 2013' and 'Issue 1 - March 2013'. Other volumes listed include Volume 21 (4 issues), Volume 20 (3 issues), Volume 19 (3 issues), Volume 18 (3 issues), Volume 17 (3 issues), Volume 16 (3 issues), Volume 15 (2 issues), Volume 14 (2 issues), Volume 13 (2 issues), and Volume 12 (2 issues). To the right of the text, there is a thumbnail image of the journal cover with the title 'TEST' and a 'Look inside' button.

[Title for presentation / Date to go here]

Accessing Book Content

- Once you have logged out and back in, you will have access to your publication.
- To locate your book please search for the book title in the Springer Link search box.
- Please locate your book title in the search results.
- It may sometimes be necessary to scroll through the list to find your book.

The screenshot shows the Springer Link search results page. The search query is "The Performing Subject in the Space of Technology". The results are sorted by Relevance, and there are 290,069 results. The first result is a book titled "The Performing Subject in the Space of Technology" by Matthew Causey and Emma Meehan, published in 2015. The second result is an article titled "Posters" from the journal "JNHA - The Journal of Nutrition, Health and Aging" (2009). The third result is a chapter titled "High-performing spacefarers" from the book "Space Enterprise" (2009). The fourth result is a chapter titled "The Grants Register" from the book "The Grants Register" (1999).

Accessing Book Content

Now you are on the book's homepage. You can download the whole book or select individual book chapters.

The screenshot shows the Springer book homepage for 'The Performing Subject in the Space of Technology'. At the top, there is a blue navigation bar with a 'Download Book (PDF, 4096 KB)' button and a search box labeled 'Search within this book'. Below the navigation bar, the book's title and subtitle are displayed: 'The Performing Subject in the Space of Technology' and 'Through the Virtual, Towards the Real'. The editors' names (Matthew Causey, Emma Meehan, Néill O'Dwyer) and ISBNs are listed. A second 'Download Book (PDF, 4096 KB)' button is visible. To the right of the text is a book cover image with a 'Look Inside' button. Below the cover, there are sections for 'Other actions' (with a link to 'About this Book') and 'Share' (with social media icons for Facebook, Twitter, and LinkedIn). The 'Table of contents' section is expanded to show 'Front Matter' (Pages i-xvii) and 'General Introduction: In the After-event of the Virtual' (Chapter).
